

## 2020 Membership

We really need your help now that we have some big projects in the pipeline. In order to get access to various grants, we need to show that the village is behind our plans - the best way we can illustrate this is by increasing our number of members.

Memberships are due 1st April each year and as decided at the last public meeting cost will be just £6 for individual membership, £10 per couple membership and £15 for family membership per year. This is used to help with our running costs to make Chopwell a better place to live. You don't have to be actively involved – but if you could spare the odd hour a month to help with any of our projects we'd greatly appreciate it.

Come and join us please. Fill in the form below and enclose with your payment.
